Under 18's Saturday Social Program

19th March – 25th June 2022

**Participate
Australia**

Dear Families,

Participate Australia are providing a Saturday Social Program for Under 18's from 19th March – 25th Jun and we invite you to come join in on the fun activities. Once you have identified which activity you are interested in, please complete the booking form, and follow the procedure. You may apply for as many activities as you like.

If you do not already have a Service NSW app, we encourage you to do so that you are prepared if needed to access venues. If you need assistance with setting this up, please speak to your facilitator. Also speak to your facilitator if you believe you are exempt and would like assistance with your application. At the beginning of each activity the group will spend some time discussing hygiene and emphasising the importance of practicing proper hygiene not only for themselves but for those around them.

Participate Australia encourages all participants to bring their own face mask, sanitiser and/or wipes to reduce the need for sharing. We also strongly encourage the use of cutlery when eating meals, where possible, to reduce hand to mouth contact. In addition to proper hygiene practices, participants will learn how to use public transport, plan their trips, and practise road safety awareness. Participate Australia is closely following the advice from Federal and State government and will maintain the highest level of diligence when providing support.

We have:

1. Introduced a policy that requires staff to be vaccinated;
2. Required staff complete Department of Health COVID 19 Infection Control certified training;
3. Introduced a Service NSW check in QR code;
4. Registered as a COVID Safe space;
5. Developed new procedures for all staff which were established by our own COVID 19 Management Committee;
6. Increased the frequency of site cleaning;
7. Provided staff with individual Personal Protective Equipment packs to carry on their person and ensured the availability of readily available protective equipment for all persons on site as required.

For each activity, we require each participant to bring:

8. Face mask;
9. Hand sanitiser;
10. Water bottle;
11. Sunscreen;
12. A hat;
13. Activity fee & spending money;
14. Opal card and companion card; and
15. Wear appropriate clothing, closed shoes including wet weather gear and beach attire if applicable.

Please note we are currently not providing pick up or drop off for these activities. For urgent transport requests, contact your support facilitator.
